Nurse Unit Manager – Residential Aged Care ‘Barrabill House’

Seymour Health is seeking an experienced and suitably qualified nursing professional for this outstanding career opportunity in a Small Rural Health Service which is committed to the provision of high quality care. Conveniently located within relatively close proximity to Melbourne CBD, you will enjoy a rural lifestyle and be well supported by a progressive management team at Seymour Health.

Reporting to the Director Clinical Services, the Nurse Unit Manager is responsible for the operational and human resource management of this high care 30-bed nursing home.

This exciting opportunity is ideally suited to a highly motivated professional with great people skills, who can manage change and ensure that the highest standards of care are met. You will also bring experience and knowledge of the Aged Care industry and be passionate about providing services to rural communities.

Candidates will have an approved Bachelor of Nursing or equivalent qualification to enable current AHPRA registration as a Registered Nurse (Division 1). An attractive remuneration package will be negotiated with the successful applicant.
