

# Radiographer/Sonographer

## Robinvale District Health Service

- Flexible work hours
- No on-call requirement

Robinvale District Health Services is a Multi-Purpose Service (MPS) that provides a diverse range of services across a catchment area of approximately 60,000 square kilometres. In addition to service delivery in its immediate area, RDHS provides outreach services to the communities of Ouyen, Manangatang and Boundary Bend in Victoria. RDHS operates 20 acute beds, 54 residential aged care places, and provides Urgent Care services to both the Robinvale and Manangatang communities.

This role provides support and collaboration with the RDHS Midwifery service and local General Practitioners for Radiography / Sonography Services. An alliance is in place with a Radiologist for the interpretation of scans and x rays and the Radiographer / Sonographer will work with this service to provide timely reports to RDHS clients. The service will operate for Robinvale and the surrounding districts.

To meet the requirements of the role you will have Bachelor of Applied Science/Medical Radiations or equivalent, registered to practice in Victoria as a Radiographer and Sonographer (AIR, ASAR USE License and with current registration in Victoria). Ideally you will have previous experience in a rural health setting with a proven ability to self-manage operational requirements of radiography service.

This is a great opportunity for a Dual Qualified Radiographer/Sonographer to work in an attractive Murray River location with a supportive management team. An attractive remuneration package including flexibility in work hours will be negotiated with the successful applicant.

Full position details can be obtained from our website at:
