

Acute Services Manager

- Full time opportunity
- Beautiful regional area
- Progressive leadership team

Situated northeast of Melbourne, Alexandra is one of the most picturesque and liveability areas of Victoria. Surrounded by the natural beauty of rivers, forests and parks, with easy access to fishing and boating, snowfields, and wineries.

Alexandra District Health is the major health service organisation within the Shire of Murrindindi and has a long and proud history in health related service provision to the area, providing inpatient and outpatient services including specialist medical services, operating theatre services, radiology, pathology and district nursing. In addition, the hospital delivers community health services including a wide range of allied health and health promotion services.

We are seeking an experienced manager to lead, direct and co-ordinate patient care within our 25 bed Acute ward and 3 bay Urgent Care service. You will be responsible for maintaining clinical standards and best practice, through continual quality improvement initiatives and evidence based risk management strategies.

This exciting opportunity is ideally suited to a highly motivated professional with advanced clinical skills, exceptional leadership and demonstrable management experience with a commitment to personal and professional development. Demonstration of negotiation and conflict resolution skills, decision making and communication skills with the ability to manage change are essential in this rural setting. Candidates will have a current registration with Nursing & Midwifery Board of Australia.

To obtain a position description, please contact Kerrie Myer (Director of Clinical Services) on 03 5772 0900.

Applications must address the key selection criteria and should be addressed to:

Kerrie Myer,
Director of Clinical Services
Alexandra District Health
By Email: myerke@humehealth.org.au
