

Senior Acute Nursing Roles

Alexandra District Health

Situated in one of the most picturesque and liveable areas of Victoria, Alexandra District Health is the major health service organisation within the Shire of Murrindindi and has a long and proud history in health related service provision to the area, providing inpatient and outpatient services including specialist medical services, operating theatre services, radiology, pathology and district nursing. In addition, the hospital delivers community health services including a wide range of allied health and health promotion services.

Surrounded by the natural beauty of rivers, forests and parks, with easy access to fishing and boating, snowfields, and wineries, the organisation has two senior roles currently available:

Acute Services Manager

An experienced nursing professional manager will lead, direct and co-ordinate patient care within our 25 bed Acute ward and 3 bay Urgent Care service. You will be responsible for maintaining clinical standards and best practice, through continual quality improvement initiatives and evidence based risk management strategies.

Perioperative Services Manager

The manager for this part time, 7 days per fortnight role, to lead, direct and co-ordinate our perioperative services within our theatre complex. We have a state of the art theatre supported by CSD and 6 day surgery beds. You will be responsible for maintaining clinical standards and best practice, through continual quality improvement initiatives and evidence based risk management strategies.

To obtain a position description, please contact Kerrie Myer (Director of Clinical Services) on 03 5772 0900.

Applications must address the key selection criteria and should be addressed to: Kerrie Myer, Director of Clinical Services Alexandra District Health by Email: myerke@humehealth.org.au

Applications close Friday 16 November 2018
