

Chief Executive Officer

Beaufort & Skipton Health Service

- **Multi-campus health service**
- **Future-focused organisation**
- **Excellent career and lifestyle opportunity**

Formed in 1996, Beaufort and Skipton Health Service (BSHS) is a small rural health service providing urgent care, primary care, aged care and in patient acute services across two health service campuses in the townships of Beaufort located in the Pyrenees Shire and Skipton within the Corangamite Shire. The mission of BSHS is to ensure that, all people can access appropriate timely care in their community by providing quality, safe connected and personal care close to home. In addition to its acute and aged care bed-based services, BSHS operates two Medical Clinics, provides limited urgent care services, community health & home based services including district nursing, bed based respite, day centre, day respite programs, men's groups, counselling, social worker, dietitian, community health nurse, meals on wheels, community transport, health promotion and a fully range of allied health services.

Reporting to the Board at BSHS, the Chief Executive Officer (CEO) is responsible for implementing the strategic direction of the Health Service and ensuring alignment with the organisation values, vision and mission. You will ensure efficient and effective management of the health service while providing strong leadership and fostering a culture of organisational excellence. In this role you will be responsible for enabling the provision of contemporary, safe and high quality health services that are responsive and appropriate to the needs of the community. Maintaining the reputation of health service, meeting the regulatory requirements (Commonwealth and State) and meeting accreditation standards are also essential aspects of the role.

This is an outstanding opportunity for a highly capable and innovative leader to join this successful multi-campus health service that has exciting prospects. To meet the requirements of the position, the Board is seeking an experienced senior manager (preferably in the health sector) with relevant tertiary qualifications in a clinical discipline, health management or related field with evidence of continuing professional development. It is vital that you are able to strongly demonstrate proven workforce leadership abilities including; a demonstrated capacity to motivate, engage, influence and empower employees to maximise their contribution to the health service.

An attractive remuneration package will be negotiated to secure the highest calibre candidate for this key appointment. Full details are available on our web site:
