

Position:	CHIEF EXECUTIVE OFFICER
Award:	Contract of Employment (3 years)
Department:	Executive
Reports to:	Board of Management
Direct reports:	Director of Nursing Care Operations Manager Finance Manager
Service Profile	Echuca Community for the Aged (Echuca Benevolent Society Inc) is a not for profit organisation which operates a ninety two bed residential care facility, Wharparilla Lodge; also Illoura Village, which consists of twenty five independent living units and Cunningham Downs Village that consists of fourteen assisted living units and ninety five independent living units.
	Echuca Community for the Aged (ECA) provides first-class residential aged care and independent living for elderly members of the Echuca Moama community and broader Campaspe and Murray shires, enabling them to continue leading dignified and independent lives, in close proximity to family and friends.
	ECA is a community-based, not-for-profit organisation that has been serving the region since 1878.
	We are local people caring for our own in a warm and welcoming environment that is nurturing, safe and secure. Through our holistic approach to ageing well and ageing in place, those in our care live full and vibrant lives with a strong connection to loved ones, and a sense of freedom, independence, privacy, fun and friendship.
	Our experience and qualified team of professional staff play a fundamental role in enriching the lives of all residents - holding respect, compassion, empathy and integrity as their cornerstones of care. We are proud to be a local leader in aged care.
Position Summary:	The Chief Executive Officer is required to have an advanced knowledge of business procedures and the ability to demonstrate a sound knowledge base in the application of knowledge to practice. The CEO is a coordinator and must have excellent communication skills. He/She will be required to have a close working relationship with the Board of Management and implement and comply with all relevant policies approved by the Board of Management. He/She will be required to liaise with other Residential Aged Care services regarding the service needs of the elderly and frail, develop appropriate services to meet the identified needs and to promote and develop the management of the service.
	Ideally, the CEO will have, or be working toward, tertiary qualifications preferably in management. He/she will be aware of the physical and budgetary constraints of the organisation as a whole and oversee the Director of Nursing Care in working within these constraints. The professional development of staff within the Organisation will also be a priority. He/She will be committed to teamwork and

	act as a mentor and role model for staff.
	The Chief Executive Officer has the responsibility of ensuring that the day-to-day business practices of the organisation are in line with the objectives and philosophies of Echuca Community for the Aged. The CEO has the responsibility of marketing, managing and maintenance of the businesses ILU's in line with board policies.
	The Chief Executive Officer also has the responsibility of administering the objectives and strategies of the organisation's Strategic Plan.
