

# Director Clinical Services

## Swan Hill District Health

Swan Hill District Health (SHDH) is a sub-regional referral hospital servicing a large, but sparsely populated area of Northern Victoria and South Western New South Wales. The rural city of Swan Hill has a population of 10,000 people with the hospital servicing a catchment population estimated at 32,000. SHDH provides a wide range of acute inpatient, community rehabilitation, aged residential, domiciliary and primary care, dental services and General Practice, including outreach programs to several small outlying communities. SHDH is now seeking an experienced nursing professional for this exciting career opportunity.

The Director Clinical Services at SHDH has overall responsibility for the planning, co-ordination, management, monitoring and evaluation for efficient and effective delivery of clinical operations relating to the delivery and flow of care services. All care is patient/resident/client centred and complies with contemporary practice and statutory requirement, is evidence based and meets professional standards.

The Director Clinical Services will have demonstrated clinical and management experience and expertise and the capacity to facilitate positive relationships between clinical staff, patients/residents carers and the wider community. Extensive knowledge of and experience in health services planning is an essential component of this role. Current registration or eligibility for registration as a Registered Nurse (Division 1) with the Nursing Midwifery Board of Australia together with tertiary level management qualification relevant to the position are also a mandatory requirement for applications seeking this role.

An attractive remuneration package will be negotiated to secure the highest calibre candidate for this key appointment. Full details are available on our web site:
