

Chief Executive Officer

Seymour Health

Seymour Health provides a broad range of acute and sub-acute health, urgent care, community programs and residential aged care services to a population of approximately 14,000 residents across the Mitchell, Murrindindi and Strathbogie Shires. Seymour Health also delivers sub-regional dental and palliative care services. This diverse range of integrated health, community and residential aged care services is provided from modern facilities and supported by an experienced team of health professionals and visiting specialists. The Board are now seeking a high calibre health executive for this important position.

The Chief Executive works in partnership with the Board to implement the vision, mission and strategic direction on of the health service. The Chief Executive is responsible for providing strong, reflective leadership and direction to ensure that the resources of the health service are well managed and sustainable. The Chief Executive is responsible for ensuring that organisations systems and processes include stakeholders, consumers and community engagement.

To meet the requirements of the role you will have post-graduate tertiary qualifications in health management or a business related field. You will demonstrate strong and effective leadership abilities, organisational and interpersonal skills and experience in both human resource and financial management. Knowledge of funding and current government policy are essential. Experience in the delivery of acute, residential aged care, community and primary health care services are also desirable for this position.

An attractive remuneration package will be negotiated with the successful applicant.
