

# Perioperative Services Manager

## Calvary Riverina Hospital

- Based in Wagga Wagga
- Busy and dynamic environment
- Career progression opportunities
- Relocation assistance

Calvary Riverina Hospital (CRH) is a private hospital in Wagga Wagga, NSW, which provides a range of services to the Riverina community. Services include surgical, obstetric, medical, intensive care, coronary care, day surgery, drug & alcohol services, rehabilitation and palliative care. CRH are now seeking to recruit a highly motivated nursing professional to join the TEAM!

The Perioperative Services Manager is a senior member of the management team and has operational management responsibility for the perioperative department within Calvary Riverina. The Perioperative Services Manager works closely with the Executive team and in particular the Director Clinical Services to support the organisation and department's business objectives and safe high quality patient care.

To be eligible for this role you will hold current registration as a Registered Nurse / Midwife with the Nursing and Midwifery Board of Australia / AHPRA. You will be able to demonstrate extensive clinical skills and knowledge of contemporary perioperative nursing practice, strong leadership and management skills as well as highly developed communication / interpersonal, negotiation and change management skills. If you have the background and skills for this exciting role then we would like to hear from you. For more information please visit our website at:
