

Executive Manager Assets & Infrastructure

Rumbalara Aboriginal Cooperative

Rumbalara Aboriginal Co-operative (RAC) is a community-controlled organisation that offers a range of health and community services to the Greater Shepparton community. RAC is the largest provider of services in the Greater Shepparton area, and one of the largest providers of services to Aboriginal and Torres Strait Islanders in Victoria. The organisation employs approximately 200 people and has a budget of nearly \$20 million.

Reporting to the CEO, the Executive Manager Assets & Infrastructure will develop, implement and deliver Rumbalara's requirements and outcomes to ensure the key responsibilities and functions in infrastructure and asset management strategies and systems in managing property assets are met. Importantly, you will be expected to deliver capital development projects from inception to completion. The Executive Manager Assets & Infrastructure is part of the Executive team and contributes to the strategic development and leadership of the broader organisation.

To be considered for this exciting career role you will ideally have at least 5 years of proven success in a similar position at an executive level and hold relevant tertiary qualifications. You will need to demonstrate an understanding of, and commitment to, Aboriginal & Torres Strait Islander culture; and be able to demonstrate large capital works planning and implementation skills. You will also need to be able to demonstrate strong and effective leadership abilities, organisational and interpersonal skills.

An attractive remuneration package will be negotiated with the successful applicant.
