

# Operational Director Performance Improvement

Benalla Health is seeking an experienced and suitably qualified nursing professional for this exceptional opportunity in one of Victoria's highest performing public health services. Benalla Health enjoys an enviable reputation and provides a range of acute, residential aged care and community-based services. Based some 200 kms north of Melbourne, Benalla is close to wineries, the world-class Winton Wetlands and offers many other leisure and sporting activities in addition to all the other services you and your family would expect.

The Operational Director – Performance Improvement (ODPI) is recognised as a key member of Benalla Health's Clinical Services Leadership Team. The ODPI supports the values of the organisation through their commitment to achieving a shared vision, mission and strategic goals; their effective management and oversight of performance improvement services; and their strong and inspired leadership in championing, monitoring and advancing performance improvement initiatives. Under the direction of the Executive Director of Clinical Services and in collaboration with the senior leaders within the directorate, the ODPI has responsibility for the development, provision and advancement of Benalla Health's Performance Improvement programs and services including leading and facilitating the hardwiring excellence coaching program and the maintenance of quality improvement databases and reporting.

To meet the requirements of the role you will hold current registration with the Nurses and Midwifery Board of Australia and AHPRA. You will be able to demonstrate an ability to work as a member of a team at a strategic level and the ability to lead and manage change and innovation in service provision. Likewise, you will have demonstrated knowledge and understanding of clinical governance, patient safety, and clinical risk management as well as an understanding and experience in applying the principles of curriculum planning and learner centred educational theory and practice. An attractive remuneration package is on offer. Further details are available on our web site:
