

Director Quality & Safety

Colac Area Health

- Key senior leadership role within an innovative healthcare service
- Outstanding opportunity to manage change and improvement
- Located in Colac, a great community, as part of a great team

Colac Area Health is an integrated health service with an annual operating budget of almost \$60 million and comprising of over 500 employees. It provides a comprehensive range of health services including: Acute Care; Aged Care; Community; Family and Allied Health Services. Servicing a range of communities comprising of 30 000 people, Colac Area Health is located in one of the most picturesque Victorian municipalities and is within a one-hour drive from Geelong. Colac offers country charm and an enviable rural lifestyle and has the Otway Ranges and the Great Ocean Road right on its doorsteps. They are currently seeking an experienced and suitably qualified nursing leader to undertake this important and challenging role.

Reporting to the Chief Executive Officer, the Director Quality and Safety will be responsible for the oversight, facilitation and management of processes relating to clinical governance and the Victorian Clinical Governance Framework. The role works closely with the Executive team to provide advice for the management and development of Colac Area Health's clinical and practice governance, compliance, risk and policy systems.

To be considered for this role, you will hold current undergraduate qualification in a relevant clinical discipline. You will need to demonstrate experience and high-level working knowledge and understanding of the National Safety in Quality Healthcare Service (NSQHS) Standards, the Aged Care Standards and other relevant accreditation processes. You will also be able to demonstrate an understanding of the key risks related to the provision of healthcare and the management of risks.
