

Executive Director Nursing & Midwifery

- Based in Warrnambool
- Outstanding career opportunity and leadership role

South West Healthcare (SWH) is the largest sub-regional health service in Victoria, providing acute, mental health, rehabilitation, and aged care together with an extensive range of primary and community health services across the south west catchment. SWH provides more than 150 medical, nursing, mental health, allied health and community health services to a local community of 110,000 people living in South West Victoria. More than 2,000 people work for South West Healthcare and this is a unique opportunity for an outstanding and high performing nursing executive to join the SWH leadership team.

Currently undergoing significant redevelopment to the Warrnambool Base Hospital precinct, having commenced a \$450M capital works program, SWH will further enhance their role as a leader in health in the South West region. This is a fabulous career opportunity for an experienced nursing executive leader to be part of the next phase of development and growth at SWH.

Reporting to the Chief Executive Officer, you will provide leadership and oversight for professional nursing and midwifery practices and standards. Operationally you will ensure the delivery of safe, high quality healthcare services at SWH. Joining a high performing Executive Team, your responsibilities include strategic development and implementation of innovative clinical and quality programs that include collaboration with health service partners, to shape the future of health in South West Victoria.

To be considered for this role, you will hold current registration as a Registered Nurse with the Australian Health Practitioner Regulation Agency and Postgraduate qualification in health, business or management. You will have extensive experience in a senior management position in healthcare with demonstrated success in nursing and midwifery leadership; as well as proven ability to align teams with the organisational values and goals through effective people management and modelling.
