

Executive Director

Loddon Mallee Local Health Service Network

- **Opportunity to shape the future of health service delivery**
- **Senior role driving collaborative projects in a diverse region**

The Loddon Mallee Local Health Service Network (LMLHSN) is one of six rural collaborations in Victoria and is comprised of public health services and hospitals in the Loddon Mallee region. The LMLHSN has been formed to establish a more systematic and integrated approach to delivering health and hospital services across the member organisations. This is a senior leadership position that will suit professionals with experience of successfully leading an integrated program across health services or like public sector organisations.

The Executive Director is accountable to all organisations in the LMLHSN and must act in a neutral and impartial manner and represent the collective interests of all members. The Executive Director LMLHSN will facilitate and lead initiatives through fostering current collaborations to enable the LMLHSN to achieve its' goals as well as enhancing collaboration across the region to deliver integrated health care services. This role will manage partnership associated risks, issues and scope within the LMLHSN Governance Structure ensuring appropriate reporting, escalation and approvals. They will have accountability for the LMLHSN budget, procurement and management of all contracts in accordance with the instrument of delegation.

To be considered your past success with working at an Executive level on large-scale transformational projects will be supported by formal tertiary qualifications. You will also be able to demonstrate people management, program and project management skills and experience including program design, implementation, reporting and evaluation as well as financial management to ensure high quality deliverables.
